14 JUL 1950

STAT

Thank you for your note of 10 July bringing to my attention the fact that we have yet been unable to do anything here for your husband.

We will survey current possibilities right away, and will contact him again as soon as we can make a determination as to whether we have a suitable vacancy at this time.

I hope everything continues to go well with you.

With kindest personal regards,

Sincerely,

signed disp to ER 7/14

R. H. HILLENKOTTER
Rear Admiral, USN
Director of Central Intelligence
